Volunteers help in many ways:

Pendon Museum is staffed, managed and developed almost entirely by an excellent team of volunteers. At present some 150 people support the project with their free time and wide-ranging skills, but we are always eager to welcome new recruits.

- Staffing the Museum when it is open – either in the shop, driving trains on Dartmoor or on the Vale Scene
- Creating the models - buildings, scenery, locomotives, coaches, wagons, trackwork, control systems.
- Marketing, publicity, publications, talks and lectures.
- Helping with management and administrative tasks.
- Helping with other development work - displays and exhibits, etc.
- Managing the library, archives and artefacts.
- Maintenance of the building and exhibits.
